

Company Registration & Legislative Support

EXPLORE

- PACIFIC RESOURCES INTERNATIONAL (PRI) is a privately held USA holding company for manufacturing investments in China
- We are working with companies ranging in size from \$3M to \$4BN
- What to do if you are told you don't need a permit right away and get it later, but then after you have your factory set up the government official you were dealing with moves on, or if the government policy for your industry changes?
- We have much experience in these difficult areas and can make sure your company is able to run smoothly.

- Company registration typically takes 2-3 months; we can help speed this process up if needed.
- We have legal people we have worked with for many years who help us with company registration and any problems with have in the process.
- Our China HQ is in Beijing, but we also have 10+ locations across mainland China where we operate from.
- PRI is equipped with the personnel and experience to make sure your company can get set up and achieve its objectives here in China.
